LTE Hybrid School	199.00	62
LTE Hybrid School	249.00	80

### Terms and Conditions

- These packages are offered to teachers and students only.
- These packages are offered on a 12-month period for students and 24-month period for teachers irrespective of the price plan chosen.
- The customer will be invoiced for the data contract in advance and pay in arrears.
- The subscriber will get monthly allocation of data every 1st of the month.
- All data contract benefits and subscriptions are pro-rated upon new connection.
- All contracts are SIM only.
- The data contract benefits will expire at the end of the month.
- The subscriber will be allowed to recharge (updating the main account) and purchase Prepaid products/bundles (voice, data, SMS and Top up) any time.
- Customers on these contracts are allowed to top up with prepaid voice and data top ups.
- For data top-ups, customers on these packages will use existing prepaid top-ups as the product is prepaid.
- Out-Of-Bundle (OOB) charge for data is applicable.
- All customers are required to go through a credit vetting process.
- Contract payments are to be made within 30 days of invoicing.
- If a payment is not made within 30 days, the subscriber will be suspended as per the suspension rules, and they will therefore not be allocated the benefit nor will they be able to use the remaining balances.
- Students and teachers are allowed to apply for one school contract, and this should be validated through the application process by ensuring that customers do not have multiple contracts. This should be checked through customer names.
